

# **Basic Policy Against Anti-Social Forces**

Our company declares the following basic policy to sever ties with anti-social forces that threaten social order and safety:

1. Respond to anti-social forces as an organization.
2. Collaborate with specialized external organizations to address anti-social forces.
3. Completely sever all relationships, including transactions, with anti-social forces.
4. In case of emergency, take legal actions from both civil and criminal perspectives.
5. Absolutely refrain from backdoor dealings and providing funds to anti-social forces.
